STEP 1

Show me the Money

How much?

Know Your Money

Do you know the difference between coins and bills? There are differences in shape, design, color and names. Have fun with the activity below and learn to Know Your Money.

1. Draw a line from the name of the coin on the left to the correct picture on the right.

Penny

Nickel

Dime

Quarter

2. Draw a line from the name of the bill on the left to the correct picture on the right.

One Dollar

Five Dollars

Ten Dollars

Twenty Dollars

Have you used money before? Have you ever bought something at a store? It is important to know how to use your money. Let us learn how to use our money.

1. Circle each coin and bill needed for the exact amount to pay for the items below.

Ice Cream - \$1.50

Toy Car - \$4.27

Doll - \$15.75

STEP 2

Earn your keep!

Jobs in our community

Earning A Buck

Have you ever been given or earned money? How did you get it? Who gave it to you? Why did they give it to you? These are the questions we will work to answer now. There are two main ways we get money: we can earn money or be given money.

1. Draw a circle around the pictures that show someone working to earn money.
Draw a square around the pictures that show someone being given money as a gift.

Happy Birthday

2. In the space below draw a picture of a way you can earn money.

People do many different jobs to earn money for themselves and their families. These jobs are also very important for the community.

1. Can you write the correct name of these very important jobs under each picture and two things (tasks) they do in this job?

Fireman

Doctor

Builder

Teacher

STEP 3

Smart spending

Let's go shopping!

Do You Really Need It?

We often say we need things that we actually want. Can you help us put the following items in the right categories?

1. Draw a line from the item on the left to the **NEED** if it is something we really need or to the **WANT** if it is something we may want.

NEED

WANT

You forgot your lunch for school, but that is okay. Your school has a mini store and you have \$3.00 to spend. Be careful to stay within your budget.

1. Your lunch must include each of the following items:

- a. Sandwich
- b. Fruit
- c. Vegetable
- d. Milk

2. Use the chart below to budget your spending.

Item	Price
Total	\$

STEP 4

Save it!

Reaching your goal

Safe to Save

We know how important it is to save our money, but do you know safe places to save your money?

1. There are three pictures below. Color in the two pictures of safe places to save your money. Put an X through the picture that is not a good place to save your money.

Is there something that you really want, but do not have enough money to buy? Let's make a plan of how to get this item. This plan will help you reach your goal of getting this item.

1. Draw a picture of the thing you want in the top of the tree.
2. Starting at Number 1, list the steps that are needed to get this item.

Save, Share, Spend

Do you have a Piggy Bank? Do you have one that will help you separate your money so you can **SAVE** your money, **SHARE** your money and **SPEND** your money? Let's make them now.

1. Color and decorate the three labels below.
2. Cut them out.
3. Glue them onto empty tin cans, glass jars, plastic cups or other items your parent or guardian helps you find.
4. Divide your money amongst the three containers.

SAVE

SHARE

SPEND

A look inside

Have you ever been to a bank or credit union? What did you see? What happens there?

1. Color the **Teller** green and list what this person's tasks include.
2. Color the **ATM** red and list what this machine does in a bank.
3. Color the **Vault** blue and list what is locked inside.

When I was young

You have learned about money and how to use it. Now it is time to share this with your family. Find out from your family how they learned about money. Take this activity home and work with your parent or guardian to answer the following questions.

1. In the space below draw a picture showing one of your parent’s or guardian’s first job.

2. Ask your parent or guardian what the following items cost when they were your age. Then have them help you list the cost of these items today.

Item	Parent/Guardian	Today
Ice Cream Cone		
Movie Ticket		
Gallon of Milk		
Candy Bar		
Gallon of Gas		

3. Did the price of items go up or down since your parent or guardian was your age?

Look what I found!

Finding a nickel on the sidewalk can be fun!
1. Find all of the money in the word search below.

Penny Quarter Coin			Nickel Dollar		Dime Bill		
M	P	C	S	B	L	L	O
E	E	O	S	W	I	R	D
V	N	I	C	K	E	L	O
Z	N	N	E	T	H	A	L
