

## iQ Credit Union Scholarship Application 2019

### About the Program

College comes with big books, big lecture halls, and big amounts of homework. These days, it also comes with a big price tag. iQ Credit Union is happy to help by offering several scholarships each year. These scholarships are available to area high school, college, and community college students. Applications are typically available in January each calendar year.

### Selection Process

Applications will be reviewed and judged by the Scholarship Committee. The iQ Credit Union Scholarship Committee will select five recipients for scholarships. The primary intent of the Committee is to discover well-rounded and education-oriented individuals and assist them in advancing their education. Financial need is not a criterion; but if a student is already a winner of a full scholarship or has a congressional appointment to a military academy where further award will not be meaningful, application should not be submitted. Scholarship applications in each area will be pooled and judged against one another. Life experience will be a contributing factor. Scholarship recipients are selected without regard to race, color, religion, marital status, national origin, veteran status, sex, or handicap.

- Judging will be conducted by a panel of judges selected from iQ Credit Union members.
- The committee will evaluate your full application on content, ability to follow direction, grammar, recommendations, academic background, and overall impression.
- The Committee's Choice Award recipients will be selected by the Scholarship Committee from the two scholarship categories.
- Each scholarship will be paid to the school of your choice upon verified registration and enrollment.
- Winners will provide a student ID number to be used in disbursement of funds. The winners' provided photo will be used for promotional purposes.
- Winners will be contacted by email and physical mail to the addresses provided. An announced will also be made on the web and iQ e-newsletter in May 2019.
- All scholarship entries become the exclusive property of iQ Credit Union and will not be returned.
- All decisions of the Credit Union Scholarship Committee are final.
- Submitted applications and official transcripts are due by Saturday, March 9, 2019. Applications for the 2019-2020 academic year are accepted January 4, 2019 through March 9, 2019. iQ will announce scholarship recipients in April/May 2019.
